

METAL ENCLOSURES FOR EM-PRODUCTS

GENERAL FEATURES

- Metal sheet enclosure IP20
- Powder painted - black mat.
- Usable with several EM-products
- Card fasteners included

These enclosures are designed to be used with EM- printed board products. The body material is 0.75-1mm sheet metal. The protection class is typically IP20. Boxes are painted with black semi mat powder paint. Custom colours available in larger order quantities. The units can be assembled into boxes with included snap-fit fasteners or screws.

BOXES

EM-T5 140x115x50mm outlets 3/3xDG9 for EM-115
